ALBION[®]

ANIMAL NUTRITION

MAAC[®] MANGANESE-16

Overview

ALBION[®] MAAC[®] chelated trace minerals are highly bioavailable sources of minerals.

- Feeding chelated trace minerals supports the integrity of the hoof, gut and skin.
- These minerals are verifiably chelated based on FTIR spectroscopy and X-ray crystallography studies.
- Research shows feeding chelated trace minerals can optimize immunity, maintain reproductive efficiency and enhance performance.
